Smart Starts Kids Computer Series

Healthy Me

Ages 5-8yrs

Students will explore the world of nutrition and healthy eating using hands-on activities and computer software. Together they will work to help save the "Island of Nutrition" from total destruction as the sweets and fat food groups begin to wage war against the "fruits and vegetables." They will learn about the traits of healthy eating and have special guest speakers that demonstrate the importance of exercising.

Acting - Theatre for Kids

Ages: Grade 1st-6th

This six week, thirty-six hour educational program is presented by On The Towne Community Theatre and focuses on productions for boys and girls ages six to twelve. Children will learn all aspects of theatre, including but not limited to, vocalization skills, character development, stage presence, theatrical protocol, self and group discipline. Curriculum includes a combination of physical exercise, oral reading and theatrical games. No auditions are required. Possible productions are Sleeping Beauty, Cinderella, Wizard of Oz, or others, depending upon the number of children enrolled. Families will be encouraged to join the fun by helping make simple sets and costumes! Rehearsals will be held at Kid's Play, #345 in the Outlets at Anthem, and closing performances on Fri. and Sat. will be at BCHS. For more information about On The Towne Community Theatre contact OnTheTowne@cox.net, visit the web site at www.OnTheTowneTheatre.org, or call 623-594-7234. Sibling discounts available.
